BIOGRAPHY

Vy holds a B.A. in Psychology with very good distinction and is currently pursuing an M.Sc. in Psychology, Neuroscience and Human Sciences at the University of Pavia, Italy. Her research focuses on adverse childhood experiences (ACEs) and mental health, with publications in Scopus-indexed peer-reviewed journals. She has clinical experience in psychological assessment, counseling, and cognitive-behavioral psychotherapy. Vy is broadly interested, but not limited to, the intersection of cognitive and clinical psychology, and aims to specialize in cognitive and neuro-oriented research as part of her long-term academic trajectory.
